

USER STORY ID	PRIORITY	AS A <type of user>	I WANT TO <perform some task>	SO THAT I CAN <achieve some goal>	FINAL STORY
1	High	User	Register an account	Start using the application	<input checked="" type="checkbox"/>
2	High	User	Log in to my account	Use the application, and access my saved searches and preferences	<input checked="" type="checkbox"/>
3	Medium	User	Save, retrieve, and delete my past searches	Revisit them easily when needed	<input checked="" type="checkbox"/>
4	High	User	My personal data to be securely handled	Be sure that my privacy is protected and feel safe using the application	<input checked="" type="checkbox"/>
5	High	User	Search for media using single terms	Browse relevant content	<input checked="" type="checkbox"/>
6	Medium	User	Search for media using multiple criteria	Browse for content more specifically	<input checked="" type="checkbox"/>
7	Medium	User	Filter and sort the search results	Find what I need efficiently	<input checked="" type="checkbox"/>
8	Medium	User	Display and play the media files directly in the application	Evaluate them before using/downloading	<input checked="" type="checkbox"/>
9	High	Developer	Integrate the Openverse API	Enable users to access a large collection of open-license media	<input checked="" type="checkbox"/>
10	High	Developer	Implement a modular and scalable architecture using design patterns	Later maintain and extend the application easily	<input checked="" type="checkbox"/>
11	Medium	Developer	Containerise the application using Docker	Deploy the application easily	<input checked="" type="checkbox"/>
12	Medium	Developer	Implement an automated build process	Have efficient and error-free deployments	<input checked="" type="checkbox"/>
13	High	Developer	Implement automated testing	Ensure high-quality and bug-free software	<input checked="" type="checkbox"/>
14	High	Developer	Ensure efficient API integration with Openverse and authentication services (e.g., OAuth 2.0)	Enable users to have seamless access to external resources	<input checked="" type="checkbox"/>
15	Medium	Developer	Provide clear and detailed documentation	Enable future developers to easily understand and extend the system	<input checked="" type="checkbox"/>
16	Low	User	Have a simple guide on how to use the search and filtering features	Quickly learn to use the application	<input checked="" type="checkbox"/>
